The Senior Surgeon and Sanitary
Commissioner with the Government

Sir,

In reply to your Docket number 623
of the 22nd Instant, I have the honor to state
that, as observed by you, Ramanathapur is
on the high way and it is further a place
of pilgrimage, where more or less all the
year round there will be visitors. It is,
when compared with Konanoor a more
sickly place. But Konanoor is a more popu-
-lous village. I intended to propose that
the Hospital Assistant at Konanoor

should

should have a horse allowance attached to him and should visit Ramnathpur, which is only four miles from there, frequently (i.e,) not less than twice a week. He may on these days of visit do the morning work in the Head quarter station and visit the other station in the afternoon. There is no objection to appoint Ramnathpur as his Head quarter station and to make him to look after Konanoor in the manner explained above. It is at present impracticable to have two separate Dispensaries, one at Konanoor and another at Ramnathapur. Therefore one may be opened at once either in Ramnathapur or in Konanoor.

Sir,

According to the Resolution of the Local Fund Board at a meeting Convened on 3d January last recognising the necessity for 2 additional Dispensaries in this District, I have the honor to state that the residents of Kunnoor in the Arkalgud Taluk have represented to me that at present many are suffering from fevers in the station and that medical help

help is very necessary at this time of the season. I take this opportunity of intimating to you that Government have been pleased to sanction the formation of a Municipality at the place on my recommendation as desired by the residents and as the station is a big and populous one, situated near the Coorg frontier. In Course of time the Municipality may be made to bear a proportionate Cost of the Dispensary as in other places. A building for locating the Dispensary is offered Gratis by the residents till other arrangements are made.

As regards the house, I have directed the

for the purpose.

2. The Senior Surgeon has not intimated the cost of the furniture required. He has been requested to furnish details to you so that necessary provision could be made in the District Fund Budget of the next year. I may here note that a Sum of Rs. 192 was sanctioned for furniture to the Dispensary Established at Aloor in the Budget of 1891-92. This Sum it is believed would suffice for the purpose. Likewise needful provision for Establish-ment changes has to be made in the Budget already Submitted.
